SCAN ME

In 2013, San Francisco Naturals started with a simple mission to supply healthier snacks and beverages to retailers throughout Northern California.

Our reputation revolves around quality relationships, in-demand brands, and exceptional customer service. We will always uphold those principles as we grow to differentiate ourselves from the competition.

San Francisco Naturals, Inc. is a leader in business-to-business wholesale distribution. With thousands of happy clients using San Francisco Naturals as their top food and beverages products distributor, there is no wonder why we have become the most in-demand supplier in Northern California.

In 2023, We have expanded our footprint in the craft beer business supporting our local brands across seven counties

We remain highly selective when adding new brands to our portfolio. Our buying strategy helps us separate (short-term) fads from (long-term) trends while only dealing with brands that respect our business and care about our customers.

Thanks to our amazing team, past and present—for helping us build this amazing business which has become a family. We are forever grateful to our customers and vendor partners for the years of support.
Stay Healthy,

Sam Elgendy, CEO
Fady Soryal, Co-founder and CFO

Please note that we carry a \$350.00 minimum order for deliveries in San Francisco, East Bay, Peninsula, and South Bay.

We carry a \$500.00 minimum for deliveries in North Bay

HOW IT'S MADE

IT ALL STARTS WITH RAW JUICE

Non-GMO. source wanted
juice arrives at our facility
to begin its journey.
raw and undiluted.
which is just how we like
it.

FERMENTATION GONE WILD

During the primary
fermentation, naturally
occurring yeast eats
the natural sugars
and converts it to alcohol
and CO2.

FERMENTATION GONE WILD(ER)

During the secondary
fermentation,
lactic acid bacteria
consumes malic acid
and any remaining
carbohydrates to
create billions of
CFUs of probiotic
cultures.

TIME TO BLEND & O.D BUBBLES

The bone dry, probiotic,
and alcoholic
cider is blended
with locally sourced,
non-GMO ingredients
(fruit, hops, etc).

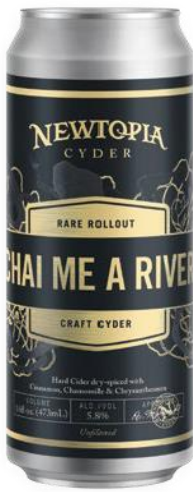

...THREE MONTHS LATER

You're left with the
cleanest alcoholic
beverage on the
market. Zero sugar,
zero carbs and free
from sulfites!
Cheers!

CLASSIC KOMBUCHA THE KOMBUCHA THAT STARTED IT ALL

The original recipe GT began bottling in 1995 is the recipe that launched the Kombucha category. Over 25 years later, CLASSIC KOMBUCHA is crafted the same way today as it always has been.

Must be 21+ to purchase and enjoy due to naturally-occurring alcohol byproduct
